**PennTex Limited Warranty and Procedures**

PennTex will assist the end user with Technical Help toll free (1-877-590-7366) when a problem arises. If it is determined that a PennTex part has failed during the warranty period, the end user must fill out the Warranty Claim Form and fax it to 1-817-590-0398. PennTex will replace the warranted part by UPS shipment (Ground). PennTex will assist the end user with a labor allowance indicated on PennTex's Charging System Test form (PD-0347).

**Note:** All OEM and Aftermarket installations of new PennTex products sold or used outside of the continental United States of America, Canada, and Hawaii, including Military use applications, have no warranty expressed or implied unless otherwise specified.
